

# Local Network Management Service

  
**milanoteleport**  
the sky is not the limit

## Local Network Management Service

Milano Teleport eliminates the hassle of managing the local network on board by effectively integrating the existing solutions and equipment installed to manage and monitor local performances. Our 24/7 NOC is immediately responsive in case of problems, via remote or local support if needed.

- > Possibility of monitoring and managing local performances
- > Remote or local support available
