

Multi Management Suite

milanoteleport
the sky is not the limit

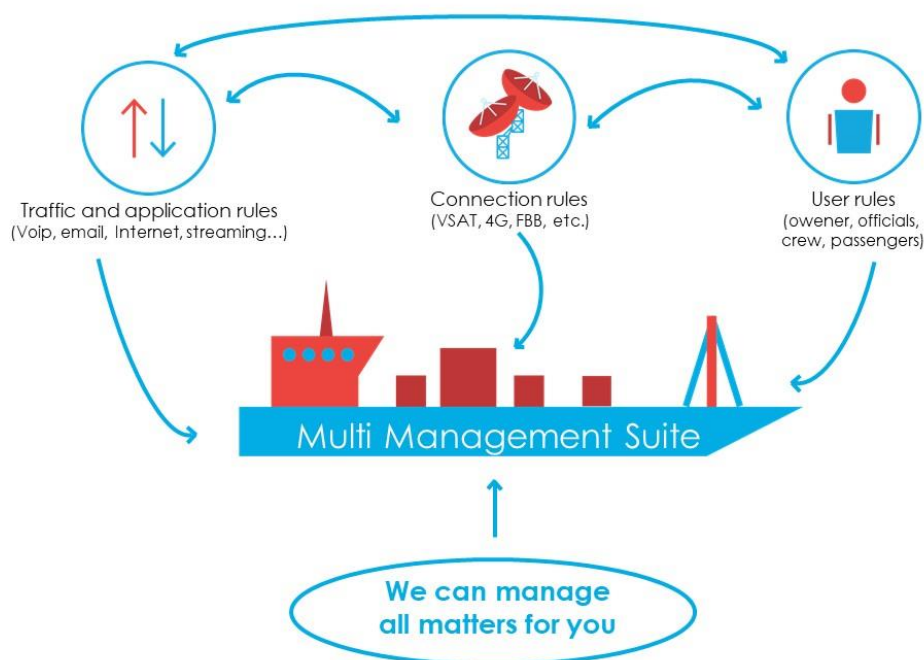

Multi Management Suite

The Multi Management Suite allows you to easily manage your multiple Internet connections.

Thanks to this Milano Teleport's solution it is possible to setup the Internet connections priorities and balance, the user groups and Internet access policies, and the traffic and application rules.

- Internet connections priorities and balance (VSAT, 4G, FBB etc.)
- User groups and Internet access policies (guest, crew etc.)
- Traffic and application rules (video streaming, VOIP, email, web surfing etc.)
